Status Report

1. Environmental Advisory Committee Legislative Recommendation

At their meeting of December 5th, the Environmental Advisory Committee unanimously voted to ask the City Council to support PG 401-13, a pre-filed General Assembly bill that would establish the authority for Prince George's County to impose fees on the use of disposable plastic bags as a part of a retail sale of products. The motion was made by Chairman Gary Allen and seconded by Ms. Karin Taschenberger.

2. City Hall Security

On November 22, 2011, the City entered into a contract with AlliedBarton LLC for AlliedBarton to provide certain specified security services for the City of Bowie for the term December 1, 2011 through November 30, 2012. Our contract piggybacked on a MWCOG contract through Montgomery County which provides for a simple letter from the City to AlliedBarton to renew the contract for another one-year term. The City sent such a letter to AlliedBarton declaring our intent to continue the contract for another year. Monies for the contract through June 30, 2013 are provided in the FY13 Budget.
