

MEMORANDUM

TO: City Council

FROM: David J. Deutsch
City Manager

SUBJECT: ***Status Report***

DATE: November 21, 2013

1. BGE Tree Trimming

Attached is a letter from BGE pertaining to proposed tree trimming along overhead distribution lines for Bowie. Only feeders 7440, 7444 and 7447 will be trimmed in the City in 2014. This notification to all elected officials is required by the Maryland Public Service Commission.

October 9, 2013

John Fitzwater
Assistant City Manager
City of Bowie
15901 Excalibur Rd.
Bowie, Maryland 20716

Dear Mr. Fitzwater,

Current regulations, arising from the Maryland Public Service Commission (PSC) Rule Making 43 process (RM 43) following the enactment of the 2011 Maryland Electricity Service Quality and Reliability Act, require utilities to notify elected officials of routine vegetation management work within their jurisdiction on an annual basis. This includes routine tree trimming and removals around BGE facilities as well as mowing along our transmission line rights-of-way.

Attached are maps depicting the overhead distribution lines in your jurisdiction where BGE contractors will be performing vegetation management during 2014. Please note this package supplements any material previously sent. Affected customers will be notified prior to any work being conducted on their property.

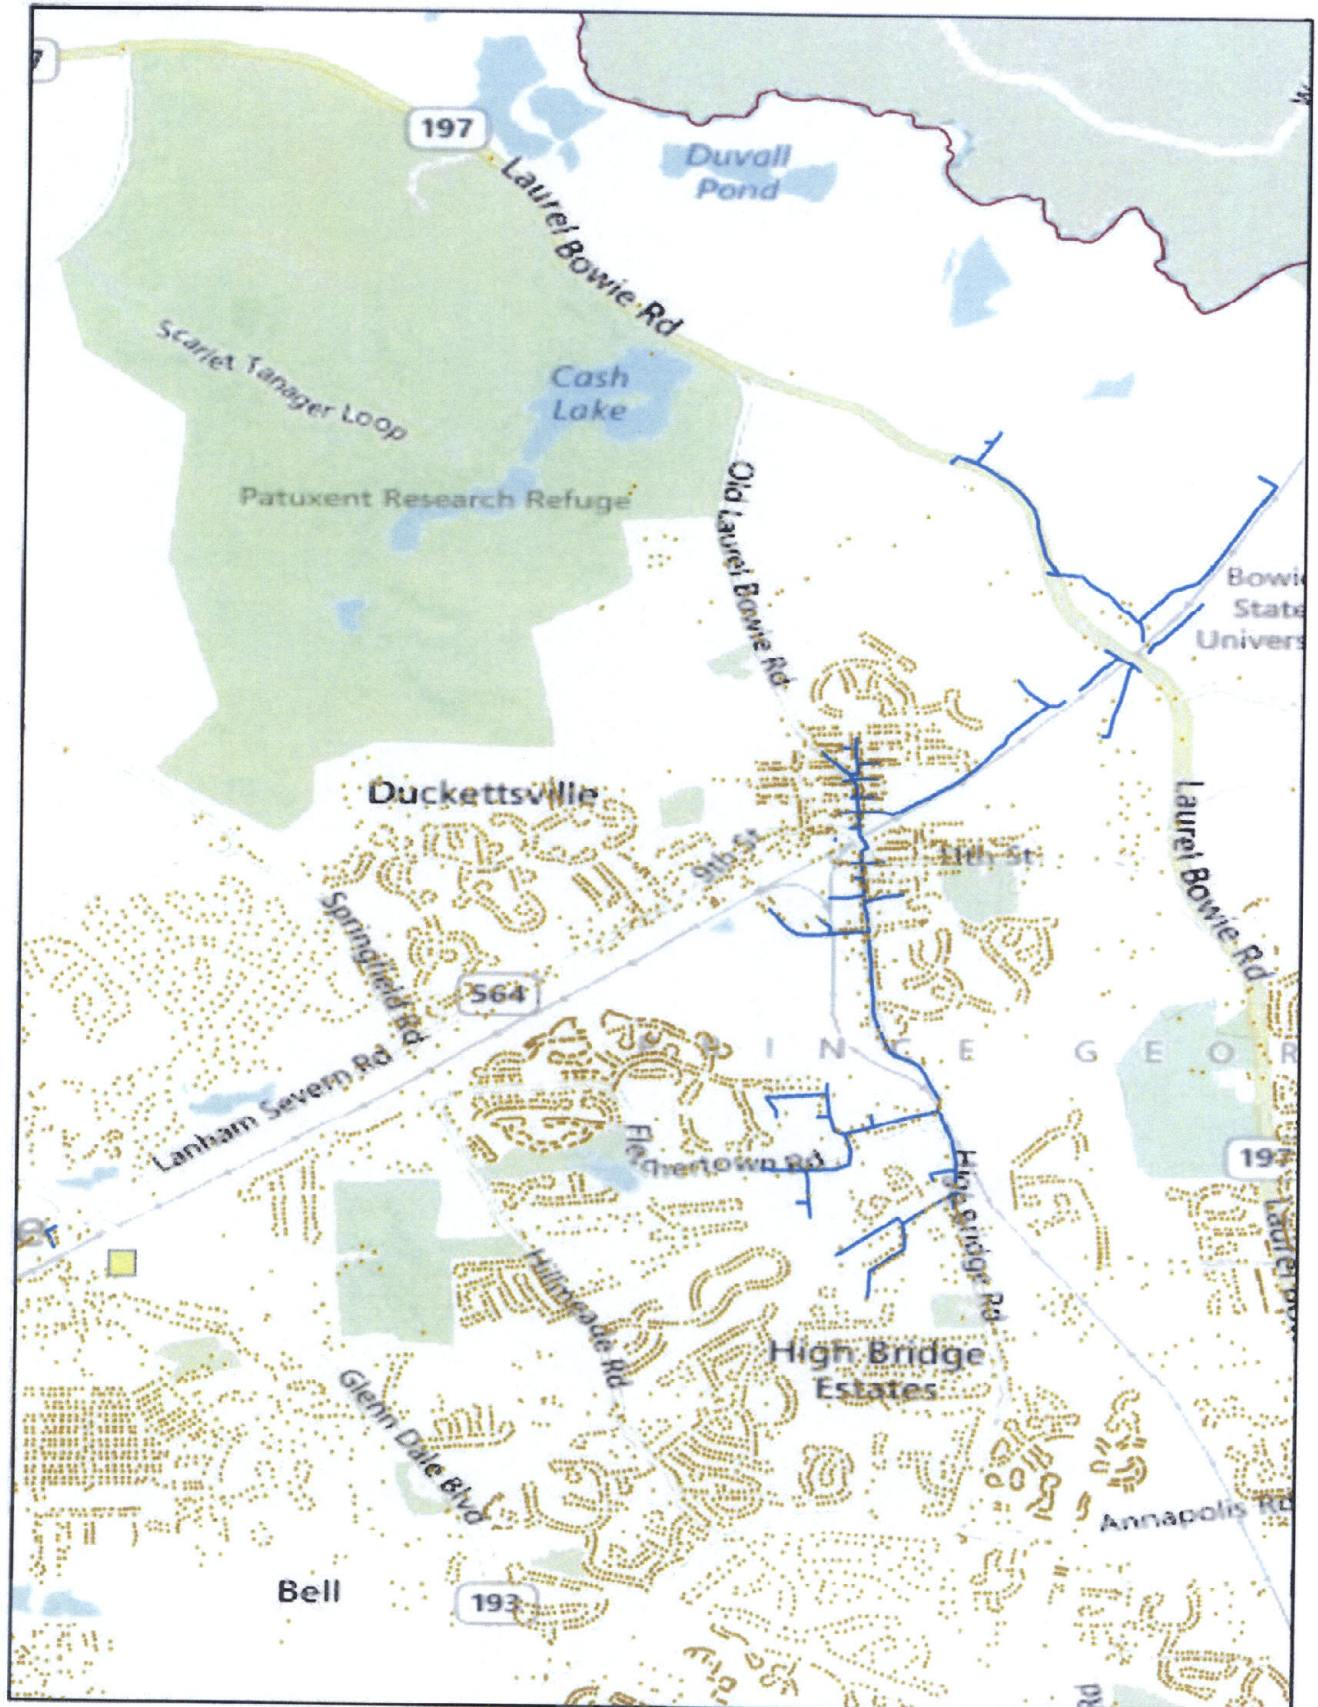

Feel free to contact me with any questions or concerns. I can be reached by phone at 410-269-5279 or by email at michael.l.fowler@constellation.com.

Sincerely,

A handwritten signature in blue ink, reading 'Michael L. Fowler', is written over a horizontal line.

Michael L. Fowler
