Status Report

1. Bowie Whitemarsh Rezoning Community Meeting

The applicant in the Bowie Whitemarsh rezoning case, Bowie Whitemarsh Elm, LC, has scheduled a Community Meeting regarding their pending application (A-10039). The purpose of the meeting is to provide an update to the community and to answer questions. The meeting will be held on Tuesday, May 22, 2018 at 7:00 p.m. in the Multi-Purpose Room at the Kenhill Center. This is a developer-initiated meeting; however, staff will assist in spreading the notice about the meeting using City media. Staff will also attend and report back to Council.

2. Retail Opportunities and Demographics Handout Update

With the release in late March of the newest (2017) traffic volume count maps from SHA we have updated our retail information handout. This document is available on the City's website.

3. Northridge Brick Paver Replacement

The City of Bowie has contracted with Priority Construction Corporation to rebuild the brick paver intersections. Below are the locations and dates of work:

<u>Item</u>	<u>Location</u>	<u>Dates of Work</u>
1	Quarterhorse Drive & Quiet Owl Lane	June 4 – June 30, 2018
2	Quill Point Drive & Quiet Owl Lane	June 25 – July 28, 2018

Location #1 (Quarterhorse Drive & Quiet Owl Lane) will require a partial road closure and Location #2 (Quill Point Drive & Quiet Owl Lane) will require a full road closure during construction. While the intersection closure does inconvenience the Northridge community, a public street route remains available to all properties.

City staff will notify impacted residents, the HOA, and affected service entities (fire/emergency, police, schools, post office) by letter next week. In addition, the contractor will post message boards and make a second notification to all impacted residents just prior to the closure. The City will also make robo calls and Alert Bowie announcements to the Northridge community just prior to work start.

4. New MS4 Stormwater Permit

In 2003, the US Environmental Protection Agency through the Maryland Department of the Environment (MDE) designated more than 50 communities across the state as Phase II jurisdictions for purposes of regulating stormwater discharges to surface waters under the National Pollutant Discharge Elimination System Municipal Separate Storm Sewer Systems (MS4) program. That designation included a five-year general permit with a variety of programmatic requirements that were to be met by all permittees. In 2008, MDE administratively extended that permit until a new permit was developed and approved. The new MS4 permit was received by the City on Friday, April 27, 2018.

Requirements of the new permit fall into two categories: Minimum Control Measures (MCMs) and Chesapeake Bay Restoration. The six MCMs are continued from the first permit and include: public education and outreach, public involvement and participation, illicit discharge detection and elimination, construction site stormwater runoff control, post-construction stormwater management, and pollution prevention and good housekeeping. The restoration requirement is new for this permit cycle and requires permittees to retrofit 20% of the impervious cover (hard surfaces like roads, parking lots and buildings) built before stormwater quality treatment was required in order to provide this treatment. Staff have discussed this with Council for several years and have identified a number of projects expected to meet this 20% restoration requirement. All projects must be completed by 2025 with annual progress reports provided to MDE.

The City must submit a Notice of Intent to MDE by October 31, 2018, the effective date of the permit. The Department of Public Works is charged with implementing the permit with help from Parks and Grounds and the Planning Department. During Year 1 of the permit term, staff must submit a restoration plan to MDE for approval. This plan will include projects that are underway like the retrofit of the pond on Midwood Lane and the Kenhill Center plus several additional projects identified in the “Chesapeake Bay” section of the Capital Improvements Program (page 238 in FY19 budget book). Meeting the restoration requirement will necessitate significant spending between now and the end of 2025.

Discover the Bowie Retail Advantage

More and more retailers are discovering the advantage of a Bowie, Maryland location with its easy access to shoppers from Baltimore, Maryland, to Washington, D.C. Bowie and Prince George's County offer outstanding retail site opportunities combined with a population with money to spend eager for exciting new stores and restaurants. It is a dynamic, business- and family-oriented community whose residents enjoy an exceptional quality of life.

The State of Maryland's fifth largest city, and the largest municipality in Prince George's County, Bowie has grown from a rural 1800s settlement into an ideal city with a healthy economy and a much sought-after quality of life. The City has more than lived up to its motto, "Growth, Unity and Progress" experiencing significant planned development in its residential, office, and commercial sectors.

Bowie enjoys a rich and diverse historic and cultural heritage. This historic City traces its roots to 1870, when land developers subdivided the area into more than 500 residential building lots, creating a large town at a major junction of the Baltimore and Potomac Railroad. Since incorporation in 1874 as Huntington, the city has changed its name (in honor of Governor Oden Bowie, a resident) and has become a dynamic community, rivaling the most prosperous cities in the region.

Historically, the area is associated with thoroughbred horse breeding and railroading. It is said that Belair Stud Farm blood flows through the veins of every American racehorse of distinction. In 1958, the firm of Levitt and Sons acquired the Belair Estate and two years later the City of Bowie chose to annex the Levitt properties. Bowie, incorporated as a town in the year 1916, became a city in 1963 with the rewrite of its charter.

While the City is proud of its heritage, it is also focused on the future. It has grown from a small agricultural and railroad town to one of the largest and fastest growing cities in Maryland. Bowie is a city of 18.8 square miles and approximately 55,000 residents. It has nearly 2,000 acres set aside as parks or open space.

Bowie's housing inventory offers something for everyone -- from the well-maintained traditional homes of Levitt Bowie to the modern communities of Collington Manor, Saddlebrook, and Northridge. And for senior citizens, Bowie has a large number of senior residences whose quality equals the finest senior communities nationwide. Townhouses, condominiums, and rental apartments help to complete the residential offerings. There are more than 19,000 homes in Bowie with even more in the unincorporated areas immediately around us.

The city offers special attractions to both young and old:

- Bowie Baysox -the AA minor league affiliate of the Baltimore Orioles baseball team
- Seven golf courses within 10 minutes (three semi-private, two private, two public)
- Over 24 miles of hiker/biker trails

- Bowie Playhouse Theater

- Belair Mansion & Stable Museums
- Indoor year-round ice rink
- 122 ball fields

Bowie businesses and residents enjoy a 10-minute commute to the Washington Beltway and a 30-minute commute to the Baltimore Beltway. A 20-minute drive will
