2. Leaf Collection Truck Rentals

The annual leaf collection program requires the leasing of three (3) sixteen-foot and eight (8) ten-foot diesel-powered flatbed trucks for a period of eight weeks during the FY22 leaf collection program. The Department of Community Services has identified a contract through OMNIA Partners, Public Sector, (Contract# 269-2018-047) with Herc Rentals, Inc who can provide these vehicles. The FY22 budget has allocated \$80,000 for this rental. The actual cost to lease the vehicles is \$51,900.

As provided by Section 62 of the City Charter, this will serve as the required seven (7) day notice of intent to issue a purchase order to Herc Rentals, Inc., in the amount of \$51,900 for the equipment lease.
