Status Report

1. Paper Shredding & Styrofoam Recycling Event

The Public Works Department (PWD) has scheduled a paper shredding and Styrofoam recycling event at the Public Works Solid Waste/Recycling parking lot located at 16300 Annapolis Road on Saturday, October 9, 2021, from 8am-2pm. Residents can bring up to five tall kitchen bags or five archive boxes for shredding. This event is first come first served.

The PWD has allocated three trucks to this event, and if all three (3) trucks are filled, we may need to shut down before 2pm.

Documents may be observed while they are being shredded and Styrofoam must be free of any debris (glue or tape).

Our last event in June collected 12.61 tons of paper and 45 pounds of Styrofoam!

2. Hayden Property Subdivision Stakeholders Meeting

The City has scheduled a Virtual Stakeholders Meeting regarding the above proposal, which was recently filed with The Maryland-National Capital Park and Planning Commission (M-NCPPC). The 2.4-acre property, located at 12705 10th Street and Zug Road, is currently occupied by Ray's Towing and a single-family detached home. The property owner has submitted a Preliminary Plan of subdivision to subdivide the site into four residential lots. At this time, no City public hearings have been scheduled. The Virtual Stakeholders Meeting is scheduled for Tuesday, October 5th at 7:00 p.m. The public link to the meeting is: <https://bowie.fyi/stakeholdersmtg10-5>. Public notices will be mailed early next week.
