City of Bowie
Memorandum

Thursday, September 1, 2022
Alfred D. Lott, ICMA-CM, CPM,
City Manager

STATUS REPORT

1. Council and EDC Kensington MD Tour
On Saturday August 27, Bowie City Council Members Esteve and Gardner, along with Economic Development Committee Chair Roud, Vice Chair Muckle, and EDC Member Rizzi traveled to the Town of Kensington in Montgomery County Maryland for a tour of the revitalized Historic District. Kensington Mayor Furman along with Kensington Council Members Crimmins and Lichter provided an overview of the Town and then led the Bowie delegation on a walking tour. Also attending were Bowie community members, including the Environmental Advisory Committee Vice Chair John Teasdale, Old Bowie Festival organizer Verna Teasdale, community leader William Green, Greater Bowie Chamber of Commerce President Oleru, Bowie resident Pounds, Bowie Assistant City Manager Mears, and Bowie Economic Development Director King. The Bowie EDC will continue discussion about Old Town Bowie during their next meeting to be held Wednesday September 21, 2022, at 7:30 am at Bowie City Hall.

2. Bowie Race Track Property Task Force Meeting
The first meeting of the Bowie Race Track Task Force has been scheduled for September 29th at 7:00 p.m. at Bowie State University.

3. Bowie Restaurant Guide Updated
There are 130 eating establishments listed in the latest edition of the Guide. Ten (10) are businesses that are “Coming Soon”. Twelve (12) businesses just across the City boundary are listed and considered by many to be within the incorporated City limits.

4. Rustic Woods Community Informational Meeting
On Monday, City staff convened a community informational meeting for residents of the Rockledge area for the purpose of discussing the proposed County Water and Sewer Plan amendment (22/W-02) for the former Montessori school property now known as Rustic Woods, located at 5004 Randonstone Lane. The applicants are David and William Byron, whose mother operated the Montessori school. The Category Change application proposes up to 38 single-family detached homes, with a minimum square footage of 3,000 square feet and a minimum sale price of $600,000 on 31.3 acres, zoned RR (Rural Residential). Approval of a Water and Sewer Plan amendment will allow the property owner to submit a subdivision plan for development of the property. The City currently provides water service only to this address. Because the proposal will involve upgrading the existing water service,

City Council approval is ultimately required. City water service to the entire property would also require annexation and a City service category change since the property is not completely in the City. Approximately 45-50 residents attended the meeting. Most expressed opposition to the property being developed. Some of the major concerns expressed included: impacts on schools, roads and water system infrastructure; the current poor condition of City water; the need to address existing speeding and safety problems on Rustic Hill Drive; the loss of trees, green space and character; the need for nature and wildlife preservation, and protection of Bald Eagle habitat; the desire to find other uses for the property (such as schools, Bowie State University programs, or a nature center; potential construction impacts such as truck traffic, dirt and noise; replacement of pristine views with new homes and the need for a visual buffer; diminution of property values; the need for a separate access to MD 197; and the desire for public acquisition of the property. A video of the meeting is posted on the City's YouTube channel (https://www.youtube.com/watch?v=kSkUdwh294c). The City Council public hearing for Application 22/W-02 is scheduled for October 3rd.
