STATUS REPORT

1. Spring Stream Cleanup Results

On Saturday, April 1, 77 volunteers braved high winds and bouts of torrential rain to clean Bowie's streams. Students of all ages, Scouts and American Heritage Girls, as well as Councilmember Estève, helped remove 2,015 pounds of trash (weighed before disposal) from sites across the city. In addition to the usual tires, bottles/cans, and plastic bags, two car bumpers (at different locations) and a mailbox on a post with the concrete base were pulled from streams and adjacent areas. Better weather will be ordered for the next cleanup planned for mid-October. For additional information on streams, watersheds, or the October cleanup, please contact Tiffany Wright (301-809-3043 or twright@cityofbowie.org).
