STATUS REPORT

1. Additional Ice Arena Funding

Proposals to design a new Ice Arena for the City have been received. Through careful review, a firm has been selected by staff as the most qualified. At the May 15th Council Meeting, City Council will be asked to approve a resolution awarding a contract to this firm.

This communication is intended to inform Council that additional funds will be needed to award the contract. A budget amendment to increase the funding available for this project from 1.3 million dollars to approximately 1.6 million dollars will be on the agenda at the May 15th meeting along with the normal resolution and memo for Council review and action.
