Alfred D. Lott, ICMA-CM, CPM,
City Manager

STATUS REPORT

1. Contract Street Tree Planting Program

The adopted FY24 budget has appropriated \$98,000 for contractual tree planting and related services within the City. The Parks and Grounds Division has located a Montgomery County contract (IFB 1130855) with Ashton Manor Environmental, Inc. upon which we can piggyback to obtain these services. As provided by Section 62 of the City Charter, this will serve as the required seven (7) day notice of intent to enter into an agreement and issue a purchase order to Ashton Manor Environmental, Inc. in the amount of \$69,995.95.00 for these services.

2. Bowie Restaurant Guide Updated

Staff has updated the City of Bowie Restaurant Guide for August 2023. There are 132 places to eat listed.

3. Leaf Collection Truck Rentals

The annual leaf collection program requires the leasing of twelve (12) ten-foot diesel-powered dump trucks for a period of eight weeks during the FY2024 leaf collection program. The Department of Community Services has identified a contract through the State of Maryland (BPO #001B1600185) with United Rentals, who can provide these vehicles. The Department of Public Works Streets Division FY2024 budget has allocated \$80,000 for this rental. The actual cost to lease the vehicles is \$55,128.00.

As provided by Section 62 of the City Charter, this will serve as the required seven (7) day notice of intent to issue a purchase order to United Rentals, in the amount of \$55,128 for the equipment lease.

4. Economic Development Committee (EDC) Special Meeting

The Bowie EDC held a special meeting Wednesday to review their draft letter and recommendations about South Bowie for the City Council. Six (6) South Bowie residents attended and participated in the EDC discussion. The letter will be finalized at the September 13 EDC regular meeting.
