1. County Transit Vision Plan Survey

Please take a moment to provide your input on the next Prince George's County Transit Vision Plan, to help us understand what issues are important to you, here in the City of Bowie. The survey is [available here](#).

2. Green Fall Events

Join Green Bowie and the Green Team for an exciting lineup of fall "green" activities. We're starting things off this weekend with the Green Summer Closeout event at the Belair Mansion. From noon until 2 pm, join us for a combination of yoga and tie-dye, open to all ages and levels, along with information on Green Bowie programs. Please refer to the attached calendar for the complete list of upcoming activities. All events shown are open to the public and those marked with an asterisk offer Student Service Learning (SSL) hours. More details for each event can be found on the City calendar or on the Green Bowie Instagram account. Please contact the Sustainability Planner at eoexenford@cityofbowie.org with questions or to register for an event.
