STATUS REPORT

1. Environmental Action Plan Survey

The Environmental Action Plan process has begun, and we are kicking it off with a survey. The survey is meant to engage residents in the process of creating the plan and garner high-level feedback about its overall setup and priority areas. The survey will be open through the end of May and lead up to the public engagement session at the Kenhill Center on May 28 from 6-8pm. Please take the survey and share widely. All questions can be directed to the Sustainability Manager at adiaz@cityofbowie.org or 301-809-3044.
